

## Stoves On 14th

Trippie Redd

Drop my top down  
I feel good  
Drop my top down  
In yo hood  
Steady, spending  
On them drugs  
Made it out the trenches nigga  
Made it out the mud woah

I hope these young niggas learn  
I hope these stupid bitches learn  
I hope these stupid bitches burn  
Better thank god that they learn  
Better pray to god that they learn  
Cause in my hood they on bad terms  
So I'ma make these niggas hurt (woaaa)  
Thank god for the stove  
Thank Tom for a stove  
Without Edison I wouldn't be here  
So I thank god for the stove  
Gotta thank time for the stove  
Gotta thank my mom for the stove  
Gotta thank the block for the stove (woaaa)

Drop my top down  
I feel good  
Drop my top down  
In yo hood  
Steady, spending  
On them drugs  
Made it out the trenches nigga  
Made it out the mud woah

Made it out the trenches  
I made it out the hood  
They want me back in the hood  
So I can't lack in my hood  
Cause niggas hating on me  
They want me resting for good  
So I tote macs in my hood  
To still make sure that I'm good  
FN tote bullets just like it's a chopper  
I see it I like it yo bitch I might swap her  
Lil Trippie at glizzy's house so I might pop ya  
Can't save me can't save me, too late for the doctor

Drop my top down  
I feel good  
Drop my top down  
In yo hood  
Steady, spending  
On them drugs  
Made it out the trenches nigga  
Made it out the mud woah

Drop my top down  
I feel good

Drop my top down  
In yo hood  
Steady, spending  
On them drugs  
Made it out the trenches nigga  
Made it out the mud woah
