

# SWIMMING

Trippie Redd

Just keep swimming  
Just keep swimming

Just keep swimming  
Just keep swimming away  
Just keep swimming, oh  
Swimming away, swimming away  
Swimming away, swimming away, oh

Smoking on the blunt, it try and make the pain go  
I ain't worried 'bout where I can't go  
My mind on a roll like a volcano  
If I keep overthinking these deeds  
If I keep overthinking these deeds, yeah  
If I keep overthinking these deeds, yeah  
I'll just keep swimming away

Just keep swimming  
Just keep swimming away  
Just keep swimming, oh  
Swimming away, swimming away  
Swimming away, swimming away, oh

Just keep swimming, oh

Just keep swimming  
Just keep swimming away  
Just keep swimming, oh  
Swimming away, swimming away  
Swimming away, swimming away, oh
