

Til The End of Time

Trippie Redd

I love you, I love you, I love you, I love you, I love you...

Do you know I slid you crazy
When you messaged me, I was drivin'
And in my head, I was just like, "I need to listen to Trippie R
edd now"
And I was just playin' your whole, like two of your albums, lik
e for twenty-five albums, literally
And then I went on my phone when I just got out of the car
And I see your message, it's meant to be
I love you, I love you, I love you, I love you, I love you, I l
ove you, I love you, I love you, I love you, I love you, I love
you, I love you, I love you, I love you, I love you

'Til the end, the end of time
Try to get in, let me inside
Baby, give in, let me inside
Baby, your whole life depends on this
Put your pride (Yeah, yeah), to the side (Uh)

No way I mess with you, 'cause I can't find
Anything I want to, with you by my side
This love ain't all brand new, 'til the end of time
I wanna be with you, baby, until I die, yeah
Don't you go givin' up on me
Love me forever (Givin' up on me), love me forever
I want your love for eternity (I want your love, I want your love), eternity
Yeah, give me a soul, soul
I wanna love you from the flesh to the bones, yeah, yeah, oh (Givin' up on me)
We standin' under the Blood Moon, not on it, I love you, oh

'Til the end, the end of time
Try to get in, let me inside
Baby, give in, let me inside
Baby, your whole life depends on this
Put your pride, to the side (Uh)

No way I mess with you, 'cause I can't find
Anything I want to, with you by my side
This love ain't all brand new, 'til the end of time
I wanna be with you, baby, until I die, yeah
