

# WITHOUT YOU

Trippie Redd

Uh, uh

Uh

I'll go insane without you, pain without you  
Feelings I crave without you, rage without you  
I'll crash a plane about you, hate it without you  
They know that you- that you are, I know you a star, oh  
I'll go insane without you, pain without you  
I'll crash a plane about you, hate it without you  
I can't explain about you, ain't safe without you  
It ain't the same without you, me without you (Bah)

I'll blow a brain about you, hate it when I-  
I'll kill a gang about you, you're my love  
No, I'm not insane without you, your love's a drug  
When does it end?  
With me, with me, with me, yeah  
With me, with me, with me, yeah  
With me, with me, with me, ooh  
With me, with me, ooh, ooh

I'll go insane without you, pain without you  
Feelings I crave without you, rage without you  
I'll crash a plane about you, hate it without you  
They know that you- that you are, I know you a star, oh  
I'll go insane without you, pain without you  
I'll crash a plane about you, hate it without you  
I can't explain about you, ain't safe without you  
It ain't the same without you, me without you (Bah)
