

## Community Mantra

Tripping Daisy

if your problems seem to long, communication breaks  
down slow  
and if your trouble seems to far, communication breaks  
down slow  
you will soon be over there

time to feel waken, you will know  
time to feel shaken, you will show

if your problem seems to long, communication breaks  
down slow, you will soon be over there  
and if your trouble seems to far, communication breaks  
down slow, you will soon be over there

and you will lye, feeling strange, over and over

oooooooooooo oooooooooo oooooooooo  
oooooooooooo ooooooooooooo

if your problem seems to long, communication breaks  
down slow, you will soon be over there  
and if your trouble seems to far, communication breaks  
down slow, you will soon be over there

there, there

and you will lye, feeling strange, over and over

and you will lye, feeling strange, over and over
