

## Rise

Tripping Daisy

I could be wrong, I could be right  
I could be black, I could be white

Your time has come your second skin  
The cost so high, the gain so low  
Walk through the valley  
The written work is a lie  
May the road rise with you

I could be wrong, I could be right  
I could be black, I could be white

They put a hot wire to my head  
'cause of the things I did and said  
And made these feelings go away  
Model citizen in every way  
May the road rise with you  
Anger is an energy

I could be wrong, I could be right  
I could be black, I could be white

I could be right, I could be wrong  
I could be black, I could be white
