

Ramble on
You exciting female
She says she has no whine
She has special "K"!
I'll take it any way I can
I'll take you anywhere you want me
I'll take it in silence silence
You make a boredom scream!

I'm everywhere you want me now
I'm like a paper towel
You like to wipe me up at best
You like to make me freak!

Lying here with you
Is like heaven
In the sun
In the seventies
Keep it all inside every night
With your hair
On my pillow
HEY!RAGE! If all I had to do
Was get naked and look at you
In the seventies
Well all is great
And everything's nice
With HR Puffinstuff
By our side
HEY!HEY!

Ramble on
You exciting female
You say you have no one
You have special things!

You've taken all that you can get
You've left me feeling sick
You take me
That's your mission

You make me fall down quick!
Quick!

Lying here with you
Is like pleasure in the sun
In the seventies
