## Tritonal

If you're lost  
And feel like you're alone  
I'll be the one to guide you home  
You'll never have far to go

When the waves  
Are crashing against your heart  
Winds blowing you out too far  
No, you don't have to row so hard

I'll be your a-a a-a a-a anchor  
I'll be your anchor  
A-a a-a a-a anchor  
I'll be your anchor
