Hard Pass

Tritonal

I thought you were keeping your distance cuz we were moving too quick
But that wasn't it
No, your next move
Was showing off somebody new like I don't exist
Now you're back again

You're the question mark that I could live without, be better off
Honestly, no honestly
Had me at the start and then you shut me down
So what you want?
Honestly, no no honestly

It's a hard pass, baby
I don't feel bad
No, I don't need that
Can't wait til you see that you can't get me back
A hard pass, baby
I don't feel bad
No, I don't need that
Can't wait til you see that you can't get me back

Can't wait til you see that you can't get me back

Yeah my eyes, were heavy cuz I couldn't sleep while you slept with her
I had you first
But no I, don't want you now cuz I know what I deserve
Have fun with her

You're the question mark that I could live without, be better off
Honestly, no honestly
Had me at the start and then you shut me down
So what you want?
Honestly, no no honestly

It's a hard pass, baby
I don't feel bad
No, I don't need that
Can't wait til you see that you can't get me back
A hard pass, baby
I don't feel bad
No, I don't need that
Can't wait til you see that you can't get me back

Can't wait til you see that you can't get me back
(It's a hard pass)

Yeah I'm glad that you asked, but
No, you can't get me back
Yeah I'm glad that you asked

But it's a hard pass, baby
I don't feel bad
No, I don't need that
Can't wait til you see that you can't get me back
A hard pass, baby
I don't feel bad
No, I don't need that

Can't wait til you see that you can't get me back

I can't wait til you see that you can't get me back

It's a hard pass
It's a hard pass, oh oh
