

# Just Like U

Tritonal

Why you always gotta be right?  
Pissed off when you don't win a fight  
Yeah, I see it in your selfish eyes  
But that's just my type

And I've been settin' fires  
Settin' fires, yeah  
You've been crossin' lines  
But you know that I like it

Maybe I'm just like you  
Maybe I'm just like you  
Hearts are made to break  
People always change  
But it's okay 'cause we love the same  
Maybe I'm just like you  
Maybe you're like me too

(Maybe you're like me too)  
(Maybe you're like me too)  
(Maybe you're like me too)  
(Maybe you're like me too)  
(Oh-oh-oh)  
(Maybe you're like me too)  
(Maybe you're like me too)  
Maybe you're like me too

(Oh-oh-oh-oh-oh)  
(Maybe you're like me too)

(Oh-oh-oh-oh-oh)  
(Maybe you're like me too)

Always thinkin' you can change my mind  
Pissed off when I can't win a fight  
But I'm no good at compromise  
Don't lie, you like it

'Cause we've been settin' fires  
Settin' fires, yeah  
You've been crossin' lines  
But you know that I like it

Maybe I'm just like you  
Maybe I'm just like you  
Hearts are made to break  
People always change  
But it's okay 'cause we love the same  
Maybe I'm just like you  
Maybe you're like me too

(Maybe you're like me too)  
(Maybe you're like me too)  
(Maybe you're like me too)  
(Maybe you're like me too)  
(Oh-oh-oh)  
(Maybe you're like me too)

(Maybe you're like me too)  
Maybe you're like me too

Yeah, yeah  
Maybe you're like me too  
(Maybe you're like me too)

(Oh-oh-oh-oh-oh)  
(Maybe you're like me too)

Give in to me  
And I'll give in to you  
(Give in to you)  
I'll give you all of me (All of me)  
If you give me all of you, yeah

Give in to me  
As I give in to you (Mmm)  
I'll give you all of me  
'Cause I'm just like you too  
Just like you  
Whoa-oh  
Whoa-oh-oh  
Whoa  
Maybe you're like me too

Just like you, just like you  
Yeah, yeah  
(Oh-oh-oh-oh-oh)  
(Maybe you're like me too)

Yeah, yeah  
(Oh-oh-oh-oh-oh)  
(Maybe you're like me too)
