

# Leaving Here Alone

Tritonal

It's been a minute since I met you  
Don't know why we ever let go?  
'Cause I ain't met nobody like you  
Body like you, no no

Oh, no more talking  
We've said all there is to say  
Oh, when it's over  
I ain't gonna walk away  
You got that something I've been wanting  
Yeah, you know, no oh

We won't be leaving here alone (Leaving here alone)  
I wanna take you home  
We won't be leaving here alone  
I wanna take you home  
We won't be leaving here alone, oh-oh-oh  
We won't be leaving, oh-oh-oh, oh-oh-oh, oh-oh-oh  
We won't be leaving here alone  
We won't be leaving here alone  
Oh-oh-oh, oh-oh-oh, oh-oh-oh  
We won't be leaving here alone

I still remember what it feels like  
Slow rush then I'm out of control  
I wanna hold your body all night  
Body all night, oh oh

Oh, no more talking  
We've said all there is to say  
Oh, when it's over  
I ain't gonna walk away  
You got that something I've been wanting  
Yeah, you know, no oh

We won't be leaving here alone (Leaving here alone)  
I wanna take you home  
We won't be leaving here alone  
I wanna take you home  
We won't be leaving here alone, oh-oh-oh  
We won't be leaving, oh-oh-oh, oh-oh-oh, oh-oh-oh  
We won't be leaving here alone  
We won't be leaving here alone  
Oh-oh-oh, oh-oh-oh, oh-oh-oh  
We won't be leaving here alone
