

# Never Be The Same

Tritonal

How come that love is so cruel, is so evil?  
I wanna hide in the dark  
I keep patching up the walls of my ego  
But not the walls in my heart

I'm six feet underground, but I'm breathing  
Heavy is the thought of my freedom  
There's something inside me that wants to get out  
I can feel it, I'm feeling it now

I'm changing, if only just a little  
I'm breaking, it hurts to let it heal  
I'll never be the same  
No, I'll never be the same  
'Cause I'm changing, if only just a little  
I'm breaking, it hurts to let it heal  
I'll never be the same  
No, I'll never, never, never

(Oh-oh-oh)  
No, I'll never be the same  
No, I'll never be  
(Oh-oh-oh)  
No, I'll never be the same  
No, I'll never be  
(Oh-oh-oh)  
No, I'll never be the same  
No, I'll never be  
(Oh-oh-oh)  
No, I'll never, I'll never be the same

How come silence is so loud in the shadows?  
I wanna scream 'til it's on  
Tell my feet they should run, but they don't follow  
I think it's time to get out

I'm six feet underground, but I'm breathing  
Heavy is the thought of my freedom  
There's something inside me that wants to get out  
I can feel it, I'm feeling it now

I'm changing, if only just a little  
I'm breaking, it hurts to let it heal  
I'll never be the same  
No, I'll never be the same  
'Cause I'm changing, if only just a little  
I'm breaking, it hurts to let it heal  
I'll never be the same  
No, I'll never be the same

No, I'll never be the same

(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh)  
(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh)  
No, I'll never be the same
