

# Quit U

Tritonal

I got reasons why I shouldn't call  
But your voice overpowers them all  
And I know better than to give in  
But tonight I know nothing

I can't help it, I wanna be where you are  
Me and your love go we go together  
I need to be where you are  
Wherever, wherever you are

'Cause I, I can go without another sip  
But I can't put you down, down  
No I, I can go without a hit of it  
But I can't put you out, out  
'Cause I can't quit you  
No, I can't quit you

It's the deadliest hour of night  
Wish that I could take my own advice  
Breathe you out 'til you're gone with the wind  
Move on never think twice

I can't help it, I wanna be where you are  
Me and your love go we go together  
I need to be where you are  
Wherever, wherever you are

'Cause I, I can go without another sip  
But I can't put you down, down  
No I, I can go without a hit of it  
But I can't put you out, out  
'Cause I can't quit you  
No, I can't quit you

'Cause I can't quit you  
No, I can't quit you

I can't help it, I wanna be where you are  
Me and your love go we go together  
I need to be where you are

'Cause I, I can go without another sip  
But I can't put you down, down  
No I, I can go without a hit of it  
But I can't put you out, out  
'Cause I can't quit you  
No, I can't quit you  
No, I can't quit you  
No, I can't quit you

Quit you  
No, I can't quit you
