

Shinin' Bright

Tritonal

I know you've been feelin' so off
Tryna pretend nothing is wrong
Just be yourself, don't ever stop (yeah)
Come be my diamond, come be my star

We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (yeah, yeah)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (we shinin' bright)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (yeah, yeah)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (yeah, yeah)
...

We are tonight, we shine so bright (yeah)
We are tonight, we shine so bright (yeah)
We are tonight, we shine so bright (we shinin' bright)
We are tonight, and don't you worry (no, no, no)
And don't you worry (no, no, no)
And don't you worry (oh no, no, no)
And don't you worry (no, no, no, no)
Yeah, yeah, yeah...

We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (yeah, yeah)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (we shinin' bright)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (yeah, yeah)
We are tonight, we are tonight (yeah, yeah)
We shinin' bright, we shinin' bright (we shinin' bright)
...

We are tonight, we shine so bright (yeah)
We are tonight, we shine so bright (yeah)
We are tonight, we shine so bright (yeah)
We are tonight, we shine so bright (yeah)
