

Welcome Home

Tritonal

You're about to embark on a journey
Into sound, vibration, and frequency
A journey beyond the mind
Beyond the identity
Beyond all that you know
The journey of discovery
To find a place of truth
Within you
A place that is filled with infinite love
Allow the power to shift your state of being
Allow the resonance of the words of this sonic expression
To elevate you and set you free
You are being returned home to yourself
All that you are is welcome here
Allow the sound to set you free
