

## Hold On

## Triumph

Music holds the secret, to know it can make you whole  
It's not just a game of notes, it's the sounds inside your soul  
The magic of the melody runs through you like a stream  
The notes that play flow through your head like a dream (like a dream)  
Like a dream

I sing this song for the common man, for the people in despair  
I bring my song into the world and I sing it everywhere  
The simple truth lies waiting here for everyone to share  
So hold on and I will take you there  
Hold on and I will take you there

The daily routine takes your soul, lost without a trace  
It holds you down and turns you 'round and puts you in your place  
Another day, another dollar, another pretty face  
Another chance to lose yourself in the endless race

Hold on, hold on to your dreams  
Hold on, even though it seems  
Everyone around you has their little schemes  
Listen to your heart, hold on to your dreams

Can't you feel the magic, feel it everywhere  
Can't you hear the music, there's something in the air  
There's a celebration deep within a song  
Celebrate this feeling, you know it can't be wrong

Hold on, hold on to your dreams  
Hold on, even though it seems  
Everyone around you has their little schemes  
Listen to your heart, hold on to your dreams

Hold on  
Hold on  
Hold on  
Hold on

Caught up in routine, you've got to break it  
Time won't wait for us, we got to make it  
Fate gives you the chance, you've got to take it  
Take it

Hold on  
Hold on
