

Hello, Goodbye, Hello

Trixie Mattel

To be honest you're a dime
To be fair you've got me on my knees
But to be young and not on time
It's like flowers blooming through November freeze
When I sleep I say your name
And when I wake it's written up and down my walls
To be honest it's all the same
Grumble, mumble, stumble 'round without a cause

And if you get the time
The number is still mine
Baby, share a dime
On the line
There in Minnesota time
Hello, Goodbye, Hello
Hello, Goodbye, Hello

To be truthful I don't know
If you're thinking what I think you do
To be fair it doesn't show
The clocks are ticking, tocking, taking time from you

And if you get the time
The number is still mine
Baby, share a dime
On the line
Here in Minnesota time
Hello, Goodbye, Hello
Hello, Goodbye, Hello

I don't see spaces in between
I don't see colours running down the TV screen
There's no lines written in this scene
So I won't say a thing

And if you get the time
The number is still mine
Baby, share a dime
On the line
Here in Minnesota time
Hello, Goodbye, Hello
Hello, Goodbye, Hello
