

Hello Hello

Trixie Mattel

(Ooh-ooh-ooh)

(Ooh-ooh-ooh)

You better come through
Give me the one-two
I like your style
You spin my dial

Meet me in the middle
Comin' through just a little
Baby, you wanna talk, talk?
Then talk, tell me about it
Come on, uh-huh, alright
Yeah, yeah

'Cause I'm just the kind you can't ignore
Yeah, I'm just the kind that you'd die to say, "Hello, hello"

(Hello, hello)
Hello, hello
(Hello, hello)

Hey, operator
I'll call you later
I got your number
Did I s-s-s-stutter?

Meet me in the middle
Comin' through just a little
Baby, you wanna talk, talk?
Then talk, tell me about it
Come on, uh-huh, alright
Yeah, yeah

'Cause I'm just the kind you can't ignore
Yeah, I'm just the kind that you'd die to say, "Hello, hello"

(Hello, hello)
Hello, hello
(Hello, hello)
Hello, hello
(Hello, hello)
Hello, hello
(Hello, hello)
Yeah, yeah, yeah, yeah

(Hey, hey, hello)
(Hey, hey, hello)
(Hey, hey, hello)
Hello?
Hello?

'Cause I'm just the kind you can't ignore
Yeah, I'm just the kind that you'd die to say, "Hello, hello"

(Hello, hello)
Hello, hello

(Hello, hello)
Hello, hello
(Hello, hello)
Hello, hello
(Hello, hello)
Yeah, yeah, yeah, yeah

If you wanna talk, talk
Then talk, tell me about it
You wanna talk, talk?
Then talk, tell me about it, hello
(Hello, hello)
Hello, hello
(Hello, hello)
Woah
