

We Got The Look

Trixie Mattel

City lights on the beat
Glitter all on the street
It's a runway to me (Oh-oh-oh, yeah yeah yeah)
Taking over the night
Yeah we're losing our minds
You know it ain't a crime (Oh-oh-oh, yeah yeah yeah)

Don't look down (Uh-huh)
Don't look now (Uh-huh)
Hey look out, we got the look you want

(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it
(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it

Click your heels to the sound
Act like no one's around
Gonna scream, gonna shout (Oh-oh-oh, yeah yeah yeah)
Stylin' to the nines
Feelin' good, feelin' fine
Diamonds were made to shine (Oh-oh-oh, yeah yeah yeah)

Don't look down (Uh-huh)
Don't look now (Uh-huh)
Hey look out, we got the look you want

(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it
(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it

(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it
(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it

(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it
(We got the look)
We got the look, yeah yeah
(We got the look)
We got it, we got it
