

## All Drinks on Me

Trollfest

Now I don't wanna, I don't wanna drink my beer alone  
No, I don't wanna, I don't wanna drink my whiskey solo  
Now I don't wanna  
I don't wanna drink my drink alone  
'Cause I've got something sweet to tell you  
Now I don't wanna, I don't wanna drink wine by myself  
No, I would rather have a glass with you from top shelf  
Now I don't wanna  
I don't wanna drink my beer alone  
'Cause I've got something cool to tell you

I don't wanna feel like a greedy person and so I say

Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me 'cause I got all the money in the world  
Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me 'cause I got all the money in the world

Now I don't wanna, I don't wanna drink in solitude  
No, I would rather party and share the good mood  
Now I don't wanna  
I don't wanna drink these shots alone  
'Cause I've got something fine to tell  
No, I don't wanna, I don't wanna drink this without you  
Now we should have a party and invite the whole crew  
No, I don't wanna  
I don't wanna drink this all alone  
'Cause I've got something nice to tell

All I wanna do is to share another drink with you so

Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me 'cause I got all the money in the world  
Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me 'cause I got all the money in the world

Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me  
Just choose your booze, we got nothing left to lose  
Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me  
Keep knockin' 'em down, I'll buy another round  
Hidey-ho, all drinks on me, oh  
Hidey-ho, all drinks on me  
Hidey-ho, all drinks on me  
Let's get wasted like tomorrow never comes
