

## Flamingo Libre

TrollfesT

Hey!  
You wanna drink?  
Give me a wink  
But don't puke in the sink  
I'll give you something that is powerful  
Something dirty and magical  
Something frozen and tropical  
I'll show you something called Flamingo Libre

Hey!  
You wanna drink?  
Give me a wink  
It brings you back from the brink  
A potion that will make you powerful  
A tonic that will make you magical  
You'll be truly irresistible  
It's something crazy called Flamingo Libre

Do you need a drink?  
Something very pink?

Come on everyone let's drink  
Something very, very cold and nice and pink  
Let's chase the night and day away  
Let's share a cold Flamingo Libre

Hey!  
You wanna drink?  
Give me a wink  
It's much more than you think  
I gave something that is powerful  
Something dirty and magical  
Something tasty and tropical  
I gave you poison called Flamingo Libre

Hey!  
You wanna drink?  
Give me a wink  
I'll tell you what to think  
Control of others is so powerful  
Something dirty and guttural  
Something evil and horrible
