

Sellout

TrollfesT

Once upon a time
The trolls were in the market
To sell their souls
To the highest bidder

To sell their precious souls
To the highest bidder
And possibly make it big in the world
In the world, entire fucking world

Wandering about,
The trolls were looking
For some fucking change,
In exchange for their souls

To sell their precious souls
To the highest bidder
And possibly make it big in the world
In the world, entire fucking world
