

# Steel Sarah

TrollfesT

After several days of exploring the jungle, the spelunking sister Steel Sarah finally finds a hole that leads deeper into the earth. After calling for the others, she dives in and finds herself face to face with a huge snake! Unfazed she draws her sword and chops it into pieces. There are more snakes in the cave, but they soon suffer the same fate.

Camouflage Clair is a Spelunking Sister and so is Steel Sarah  
Begge to utforske den wahnsinns grosse jungel fordi de leter etter hull.

Hull som leder dypt ned, deeper down into the earth they hope to find a vicious mom.

Steel Sarah hum roper, she has found a dypt mørkt hole that she wants to explore.

Steel Sarah rappellerer deeper into nye steder.

After viele høydemeter steht sie støtt i hullets bunn og freser

In front of her lies a serpent bigger than a king's apartment.  
Men Steel Sarah bare gliser, she draws her sword und rett ut friser.

Sword in hand she cuts that snake  
Sword in hand she cleaves it into two  
Sverd i hånd som drypper blod  
Sverd i hånd som drypper slange blod

Right behind den døde ormen, kommer det en til slange.  
Den er også veldig hissig, but no match for our sword missy.

Sword in hand she cuts that snake  
Sword in hand she cleaves it into two  
Sverd i hånd som drypper blod  
Sverd i hånd som drypper slange blod

Steel Sarah, draws her sword, cleaves the snakes, warrior

Sword in hand she cuts that snake  
Sword in hand she cleaves it into two  
Sverd i hånd som drypper blod  
Sverd i hånd som drypper slange blod
