

Trinkentroll

Trollfest

Det var en annen gang, Brakebein ville drikke mer mjød enn alle.

"Kjør på! Sagt dei andre trollene
då sie müssen..."

Trinken som em jævla tørst elefant om sie will
overgå alt og alle andre som flyte rundt her i trollandbyen.
Det finnes mer enn nok mjød her
omkring så du får bare tag sammen spisa litt
salt og hella nedpå.

"Kjør på! Sagt dei andre trollene
då sie müssen..."

Trinen hardt undt trinken mer. Trinken vel, fyll
nå ditt etahål mit.

Trinken, troll! prost mit mein freunde Trinken,
troll! Prost mit mein freunde. Trinken, troll!

Det gikk jo så det måtte gå, til slutt kunne han
ikkje stå. Men det går jo fint å lage helvete
for det. Ein kan krypa rundt og bita eller sparka
rundt og le.

Henf med mens me krype rundt og jakte på
mere å drikka. Me bite og gape opp og så komme.

Trinken, Troll! Prost mit mein freunde!
Trinken, Troll!

Brakebein krype rundt undt bite sånn at alle
sammen slite med å holde på trinken. De søle og
Brakebein tar ølet. Seier! Sagt Brakebein, nå får
eg drikka sjøl om eg ligge på brakken...spy!

ENGLISH:

Once upon another time Brakebein wanted to outdrink everyone
Have at it said the other trolls, you will have to drink like a
thirsty elephant if you want to outdrink everyone who floats
around here in the troll village There is more than enough mead
for the time being so pull yourself together, eat some salt and
start drinking. Have at it said the other trolls, you will have

to drink hard, drink more and fucking fill your eathole with Drinking! Troll! Cheers with my buddies Drinking! Troll! Cheers with my buddies! Drinking! Troll! It turned out like it had to , Brakebein could not stand after a while, but he could still make hell, he could kick, laugh and crawl around biting Come along, while we crawl around hunting for more to drink. We bite, look upwards and catch the Drinking! Troll! Cheers with my buddies Drinking! Troll! Cheers with my buddies! Drinking! Troll! Brakebein is crawling around biting people's legs everyone is struggling to hold their drink and when they spill, Brakebein is there to catch it with a roar of victory drowning in gulps of drink.
