

What a Good Idea

Trollfest

After several weeks, the children of JegerMeister and Helluva start emerging. The sisters wander the caves collecting them, and when they have enough for Karve's army they find a good idea for getting back to the surface. They use a big rock to block a lava tunnel going straight up, and as the pressure builds, they climb on top. When it finally shoots up, they go with it!

Endelich die trolle hatte viele trollekindern, nu brauchen sie ein veg zu overflaten.

Spelunking Sisters har en god idé.

Wir kan Reiter opp, what a good idea!

IslandsHans han sukker og han rister litt på hodet, wir hat keine hest und ich kan night bæren alle.

"Keine hest is needed!" sier CamoClair.

Virir en vulkan, what a good idea!

Ride vulkano ride

Otto ist begeistert und er sagen som så, wir brauchen eine store stein som wir kan stehen på.

Vi legger den på lava und climb up on top.

Trykket sprenger opp, what a good idea!

Ride the vulcano ride

Etter mange timer har de funnet lava sjakten, steinen legges på og snart begynner prakten.

Først en masse romling så et lite pip.

Steinen skyter fart, what a good idea!

Faster and faster the rock in shooting up, it will not be long before they reach the fucking top.

Karve will be happy seeing all the kids.

Er will få ein hær, what a good idea!
