

Spread My Wings

Troop

I've imagined faces of many lovers
To ease the pain of having no one
In my life...
And I'm tired of being undercover...
It's time to Navigate my feelings tonight...

The sky is calm
The stars are bright
What's better than to be in flight...
I'll relax my mind
And be at ease...
And let this journey
Set me free
Set me free...
And I'll

Spread my wings
And fly away... (away)
To a place... that I long for
And my heart will be... the pathway...
I'm searching for a love
That 's ever more...

I've often wondered how'd I managed...
Always searching, but, not finding a true heart...
What does it take to find me a lover...
I'm hoping that I don't' have to fly...
Too far...

Cause the sky is calm
The stars are bright...
And what's better than
To be in flight...
I'll relax my mind and be at ease
And let this journey set me free
Set me free...

Spread my wings
And fly away... (away)
To a place... that I long for
And my heart will be... the pathway...
I'm searching for a love
That 's ever more...
