

## Dig A Little Deeper

Trooper

I know you think we've come a long, long way  
And though it's gettin' better every day  
You still got a long way to go  
To find the part of me that never shows

You've got to dig a little deeper down  
To find the part of me that no one's ever found  
I'm ready to give it a try  
If you want to fall in love, so do I

Dig a little deeper down  
Oh no, it's gonna take all night  
Dig a little deeper down  
Oh no, and it ain't gonna be easy

There's a wall that we've gotta climb  
It's been around me for a long, long time  
I'm trying to find a way through  
'Cause I wanna spend my life with you

Dig a little deeper down  
Oh no, it's gonna take all night  
Dig a little deeper down  
Oh no, and it ain't gonna be easy

Oh, you've got to dig a little deeper down  
Oh no, it's gonna take all night  
Dig a little deeper down  
Oh no, and it ain't gonna be easy
