

Simple Thing

Trooper

It's a simple thing
No big deal
Nothin' to it, it's the way I feel
It's a simple thing
Simple and true
Hey baby, I love you

It's not a complicated thing
It's not a big idea
Nothin' new, it's been around for years
It's a simple thing
It's a big thing too
Hey baby, I love you

It's a simple thing
It's a simple thing

It's an inspirational thing
That I can't explain

Brings me pleasure, it brings me pain
It's a simple thing
One and one is two
Hey baby, I love you

It's a simple thing
It's a simple thing

Simple things are the hardest to do
It's never simple to work them through
Well I know what they can do
My life was simple 'til I fell in love with you

It's a simple thing
It's a simple thing
