

Stop Thinkin'

Trooper

Stop, don't think, relax, take it easy
You're all wound up so tight, gonna make yourself crazy
You can think too much, think too hard, think too long
Yeah

The more I learn the less I know
My heart says stop but my mind says go
You can think too much, think too hard, think too long
Yeah, yeah

Ya gotta stop thinkin', stop thinkin', stop thinkin', stop thinkin'
Yeah

It starts out slow then it picks up speed
One little thing, then more than you need
Then it comes so fast, comes so hard, stays so long
Yeah, yeah

Just stop thinkin', stop thinkin', stop thinkin'

Yeah
Ya gotta stop thinkin', stop thinkin', stop thinkin', stop thinkin'
Yeah, yeah

Well my mom and pop they told me, son you gotta be cool
If you're thinkin' all the time, you will never be a fool
Well I'm not disrespectful, but my mom and pop were wrong

Stop, don't think, relax, take it easy
You're all wound up so tight, gonna make yourself crazy
You can think too much, think too hard, think too long
Yeah, yeah

Ya gotta stop thinkin', stop thinkin', stop thinkin', stop thinkin'
Yeah
