

The Best Way (To Hold a Man)

Trooper

Don't you worry, babe
There's nothin' more to say
How many times have
I told you that you don't have to worry

Yeah, you don't have to be
So damned good to me
And you don't have to worry

The best way
To hold a man
Is in your arms
So hold me
In your arms

There's a simple line
Between yours and mine
Nothin's gonna change my mind
I'm never gonna leave you

Promise that we made
Becomes a chance we take
And I still believe you

The best way

To hold a man
Is in your arms
So hold me
In your arms

The safest place
To keep a man
Is in your heart
So keep me
In your heart

Don't you worry, babe
There's nothin' more to say
I couldn't live without you

The best way
To hold a man
Is in your arms
So hold me
In your arms

The safest place
To keep a man
Is in your heart
So keep me
In your heart

{The best way to hold a man}
So hold me in your arms
