

Whatcha Gonna Do About Me

Trooper

You don't need me to tell you
You've got a hold on me
You know I'm not tell you
Here's how it's gonna be

Come on, take it easy
Easy's how it's gonna be
No need to get heavy
Whatcha gonna do about me
Whatcha gonna do about me

I don't know how to say it
It should come easy to me
It don't matter how we play it
Here's how it's gonna be

Come on, take it easy
Easy's how it's gonna be
No need to get heavy
Whatcha gonna do about me
Whatcha gonna do about me
