

Broken

Trophy Eyes

I can see the pain in the small of your back
I remember when dad used to walk like that
Stand up straight while you sweat
Don't let anyone see that you're broken

I'm your son
I'm okay, mom

Don't let anyone see that you're broken
Don't let anyone see that you're broken
Don't let anyone in

I've been sleeping with the lights on at night
I've been sleeping with the lights on at night
I've been sleeping with the lights on at night
I've been sleeping with the lights on at night
I've been sleeping with the lights on at night
I've been sleeping with the lights on at night
(At night, at night, at night)

Can you feel what it's like to be scared of what's inside?
I've been sleeping with the lights on at night
Can you feel what it's like to be scared of what's inside?
I've been sleeping with the lights on at night

Don't let anyone see that you're broken
Don't let anyone see that you're broken
Don't let anyone in
