

# Hurt

Trophy Eyes

I think I'm losing who I am  
I want to show you where it hurts  
But you'll never understand  
And it only makes you cry  
When I tell you I am thinking  
It's always on my mind  
That empty feeling

I wanna feel it hurt  
I wanna feel it hurt

I wanna know how I'm gonna die  
I'll be waiting for you, baby, on the other side  
I wanna know that you needed me around  
When you come for me  
My feet didn't touch the ground

I've been running with the sun shining in my eyes  
I've been standing on the edge all night wondering if I can fly

I wanna feel it hurt  
I wanna feel it hurt  
Do you think that I can touch the sky  
Before the pavement paints me dead?  
I wanna feel it hurt  
I wanna feel it hurt

Help me, I need a reason  
(I need a reason, help me)  
Save me, stop me from leaving  
(Stop me from leaving, stop me)  
Help me, I need a reason  
(I need a reason, help me)  
Save me, stop me from leaving  
(Stop me from leaving, stop me)

I want to feel it hurt  
I wanna feel it hurt  
I wanna feel it hurt  
Do you think that I could touch the sky  
Before the pavement paints me dead?  
I wanna feel it hurt  
I wanna feel it hurt
