

## Lavender Bay

### Trophy Eyes

There's always something else  
(Can you feel it? Can you feel it?)  
No I'm never really happy when I get it, I'm too hard on myself  
I'm sorry I left you behind  
(Can you feel it? Can you feel it?)  
Well you never made it out, but you can blame it on me, I don't  
mind

Have you ever had those dreams where you can fly?  
'Cause it hurts you too much to know where you're gonna die

I won't sleep until Sydney knows my name  
I just wanna see, my name light up the streets  
Or it was all for nothin', all, all for nothin'

Life is like a double-sided coin  
(Can you feel it? Can you feel it?)  
We play along as if we ever really had the choice  
The difference is what I did with mine  
(Can you feel it? Can you feel it?)  
I got something I can hold in my hands, you got a 9 to 5

Have you ever had those dreams where you can fly?  
'Cause it hurts you too much to know where you're gonna die

I won't sleep until Sydney knows my name  
I just wanna see, my name light up the streets  
Or it was all for nothin', all, all for nothin'

I won't sleep until Sydney knows my name  
I just wanna see, my name light up the streets  
Or it was all for nothin', all, all for nothin'

I won't sleep until Sydney knows my name  
I just wanna see, my name light up the streets  
Or it was all for nothin', all, all for nothin'
