

## Tip Toe

## Trophy Eyes

Tip toe  
Down the hallway  
Kiss your hair  
As you stay sleeping  
In the dawn  
And I don't have the time  
To stay and argue with you  
My flight's leaving say goodbye

Sleep, oh-oh-oh, sleep  
I'll call you when I can  
I'm busy like I always am

I'm waiting  
By my phone  
I know you're busy  
I got this heart-shaped hole  
And I know you don't have the time  
But I'm forgetting what you sound like  
What I wouldn't give to argue now

Sleep, oh-oh-oh, sleep  
I'll call you when I can  
I'm busy like I always am

You used to say I love you  
When you said goodbye  
You used to say I love you  
When you said goodbye

Sleep, oh-oh-oh, sleep  
I'll call you when I can  
I'm busy like I always am

Sleep, oh-oh-oh, sleep  
I'll call you when I can  
I'm busy like I always am
