She can take a little dick but I can't stand her  
Some shit get old like my damn granny  
I got the K, make a bitch panic  
Get out the way if you can't stand it  
Sometime gotta roll, nigga can't ram it  
What you mean no, said I can't have it?  
Nigga answer that door with yo strap, damnit  
Treat my lil hoe like a damn daddy
