Trouble

You been choosing fuck nigga after fuck nigga
I see your decisions really starting to fuck wit ya
I can make love to ya, run it up wit ya
Promise nobody would ever fuck wit ya
Same reason you don't fuck with them I don't fuck wit them
They just wanna fuck, yea a real fuck nigga
But if that's all you need tell me I can fuck witcha
You ain't gotta lie to kick it Imma fuck witcha

You a freak and I'm just freakin you out
I go deep call it beating you out
You discreet, keep your secret wit me
I remember you playing jacquees
In your bed then we lead to your floor
You ain't wont bread but I still give you dough
I give you a chance bae to get out my habits
Friend ain't shit you been pickin up habits
Solid one, where you at, let me see
Put your hand down this ain't ripley's believe it
You so use to toting all the baggage
Who gone hold it down if you were dragging
Said you'd be there, I see you like barely
Taught you everything, I'm just like daddy
Be yourself, if they don't accept it then fuck them
They don't show love until somebody else does
An das krazy

You been choosing fuck nigga after fuck nigga
I see your decisions really starting to fuck wit ya
I can make love to ya, run it up wit ya
Promise nobody would ever fuck wit ya
Same reason you don't fuck with them I don't fuck wit them
They just wanna fuck, yea a real fuck nigga
But if that's all you need tell me I can fuck witcha
I ain't gotta lie to kick it Imma fuck witcha

See I got confessions, I been learning some lessons
You see me out with the gang, you see me out wit the gang
I switched it up how I want it now, back then I couldn't settle down
I ain't living life slow right now, it goes down at my shows right now
It's alotta commotion, I cant get involved, don't wanna get involved
Want you at my loft, picture me in your walls, fuck you good til tomorrow
Girl we been goin thru the motions, these other niggas leave you hoping

You been choosing fuck nigga after fuck nigga
I see your decisions really starting to fuck wit ya
I can make love to ya, run it up wit ya
Promise nobody would ever fuck wit ya
Same reason you don't fuck with them I don't fuck wit them
They just wanna fuck, yea a real fuck nigga
But if that's all you need tell me I can fuck witcha
I ain't gotta lie to kick it Imma fuck witcha
