

One Life

Trouble

I can hear the whisper of a distant voice telling
me that I've got no choice
Yeah, I can hear it

Drifting through life searching for peace of mind
Only got one life to live, so give it all you've
got to give until the end

I can feel it in my bones and getting higher,
pulsing through my veins, set my soul on fire
Yeah, I can feel it

Seeking through life
Searching for peace of mind

Only got one life to live,
so give it all you've got to give
Embrace the truth, don't live a lie
No regrets on the day you die
And say goodbye

I can see that the end is getting closer
There's no sorrow when your life is over
Yeah, I can see it

Pass on through life-
oh, the way I've lived my life
Finding your peace of mind

Only got one life to live,
so give it all you've got to give
Embrace the truth, don't live a lie
No regrets on the day you die
And say goodbye
