

Pride

Trouble

Nah he say like, nigga say he real fuck wit her
But he don't wanna be goddamn lookin crazy
Everybody lookin at dat shit like he gon be lookin crazy
Cause of that mistake that 1 time you remember
Say she don't wanna go in there like cause folks gonna be lookin down on her
For stripping, but she need the money

Pride

Pride

I can't be lookin like no ho in here man fuck that I can't be lookin like no
ho to these niggas

Pride

One had the ups one had to decide, stand up or let it slide, pride
She think you up, you know you down but you can't say that you been lying, p
ride

Pride be ah muhfukka, make a nigga lose his main thang
Pride be ah muhfukka, dog da ho witya thru everything

You don't know how to keep shit playa wit niggas you walking wit yo chest ou
t

When it's a problem we the niggas they call to come protect now
You don't want your mama to get that call you throw'd the wrong set down
They gone say he was a good kid, the neighborhood been let down
But on the other side of things you claim you bang, big man
Till you face off wit that forty seven yea the big man, the news came say it
was 147

He had a big game, but still ain't score on me
See I stand tall you might fold, you love them hoes to deep
Life come wit 2 choices, decide live or die, pride

Pride

I'm getting a little money but nothin major but I can't be running around in
no Pontiac
I need a hemi. Can't let these folks be thinking I'm down

One had the ups one had to decide, stand up or let it slide, pride
She think you up, you know you down but you can't say that you been lying, p
ride

You got too much pride to tell the truth when you done fucked up
Best to tell me now than I hate you later when I luck up
I know I'm wrong but fuck that they need to holla at me
See that's that pride that have you dying cause may they rest in peace
Next week you crying cuz you couldn't tell them everything you need, streets
Know you need some help but you can't ask for it cause you said you bossing
When I was fucked up I kept it real let me kno who was with me walking

Thin line in these streets, that pride got young niggas dying in these stree
ts

(Got young niggas catching 30 before they even see 30)
You ain't gotta find em for beef
(You ain't gotta find me)
Pull up on your block they want time in these streets
(Gotta let dese niggas know I'm hard)

Niggas ready to do some time, niggas a ask for it
They put that one in the book like aight I'm hard now, shit crazy
The rule was to never get caught that was the number one rule
If you did it just came wit the territory

One had the ups one had to decide, stand up or let it slide, pride
She think you up you know you down, but you cant say that you be lying, pride

What happen to the money? What about the money?
What about the family? What about the kids if you got some kids what about the kids?
What about the snack holding it down if I'm in chain gang or I gotta keep calling
Keep checkin her pussy and all that, but she answering them calls, pride
Accountability, niggas gotta learn accountability. Pride
Too much pride will kill you. No pride you already dead
