

# Whatchu Doin

## Trouble

Whatchu doin' nigga? I been busting juggs in the trap  
Whatchu doin'? I just count 100 thousand on my lap  
Whatchu doin'? up for 24 days, I can't take a nap  
Whatchu doin'? you's a lame, you know you don't deserve the sack  
Loving and cuffing these hoes, whatchu doin'?  
Trouble Trouble pour an 8 up, a bad influence  
They tried tellin' Quavo, I'm a bad influence  
Getting the money, fucking hoes outta Cuba  
Look at them niggas, they plotting  
What is you doin'? What is you doin'?  
Look at my pockets, they rotten  
What is you doin'? What is you doin'?  
All my niggas keep a stick, all y'all niggas on the bench  
Turn your bitch into a trick, tell me what you think of this shit?

Your ho, geek monster  
Trap out the Hummer  
I called 'em up Trouble  
He shoot out the bunker  
Might pick up the phone like "What's happenin' Quay?"  
200, might get this shit done today  
You ain't got you none', that's a runaway  
Tell me what you think about getting this money babe  
Tell me what you think of this  
Quavo flying with a fish  
Making your ho wash the dish  
R.Kelly, drink the piss  
Told her Henny baby, please no Remy  
I be saying prayers for my kidneys  
I be saying prayers for my dawgs  
Fuck the law, all y'all 'hind the G wall  
I send a pack to my niggas in prison  
I throw a brick, like I'm Russell Wilson  
I make 'em sing like I'm Keri Hilson  
Fuckin' your daughter, your mama be MILFin'  
I seen the niggas you run with some bitches  
I see the money, I get it with bitches  
Every day I'm getting paper  
Every day you on my nuts, you a hater

Whatchu doin' nigga? I been busting juggs in the trap  
Whatchu doin'? I just count 100 thousand on my lap  
Whatchu doin'? Up for 24 days, I can't take a nap  
Whatchu doin'? you's a lame, you know you don't deserve the sack  
Loving and cuffing these hoes, whatchu doin'?  
Trouble Trouble pour an 8 up, a bad influence  
They tried tellin' Quavo, I'm a bad influence  
Getting the money, fucking hoes outta Cuba  
Look at them niggas, they plotting  
What is you doin'? What is you doin'?  
Look at my pockets, they rotten  
What is you doin'? What is you doin'?  
All my niggas keep a stick, all y'all niggas on the bench  
Turn your bitch into a trick, tell me what you think of this shit?

Jewelry colder than an attic  
Shoot your addict, bring the Actavis

You got spinners, I got dabbers  
Fuck me good and live lavish  
Couple court cases pending  
Ain't stressin' 'cause I'm winning  
Blow a fifty, what you spending?  
I'm a legend, call me John Flippa Lennon  
Chopper pierce 'em, fuck a piercing  
Drinking Act, it fuck my kidneys  
Jewelry ice, a nigga bless 'em  
We not shooting for publicity  
Me and slime commit a crime  
My young niggas gon' do the time  
I Forgi'd and turboed the ride  
I stay with a stick with two clips on the side  
Fuck your jeweler, bae we have it  
I got my karats out of rabbits  
My main with Jordans, I be lav'ing it  
I'm eatin' good, I'm fish and crabbing it  
Transformer pull on the corner  
I got on a mink, no pneumonia  
Pistols is so dirty like stoners  
Dancing the millionaires right on my corner  
I'm hanging with nothing but lawyers  
You don't got no rhymes, you a buster  
I pour up with Trouble, I'm crushing  
She suck on that dick like a sucker

Whatchu doin' nigga? I been busting juggs in the trap  
Whatchu doin'? I just count 100 thousand on my lap  
Whatchu doin'? Up for 24 days, I can't take a nap  
Whatchu doin'? You's a lame, you know you don't deserve the sack  
Loving and cuffing these hoes, whatchu doin'?  
Trouble Trouble pour an 8 up, a bad influence  
They tried tellin' Quavo, I'm a bad influence  
Getting the money, fucking hoes outta Cuba  
Look at them niggas, they plotting  
What is you doin'? What is you doin'?  
Look at my pockets, they rotten  
What is you doin'? What is you doin'?  
All my niggas keep a stick, all y'all niggas on the bench  
Turn your bitch into a trick, tell me what you think of this shit?
