

Corona Flow

Troy Ave

Sitting in the crib, tryna dodge corona
I'm sitting with my kids ain't no marijuana
No bad habits, to learn from daddy and
Gotta protect them and expose them
To the world we're in
I grew up in the hood, I'm misunderstood
I've done a lot of bad, but I'm mostly good
Starting with my heart, a nigga genuine
That's why when we break apart, we can't be friends again

Word!

Who's to blame? Give me facts not just how you feel
Show me proof at anytime how I ain't keep it real
You can't, unless you're ungrateful
Favors turn to resentments they need you and then they hate you
People bring everything except food up to your table (like what?)
Like knives, forks, a bunch of designer labels
With zero bucks in they pockets they rarely even got cable
So they want the passcode to your Netflix, damn!
C'mon fam, you know it's sad but it's true
These are falsehoods to everything we thought we knew
I told her "baby, you a bill how you gon' be my boo?"
And I swear on every dollar in my pocket that's blue
I'm a man, I don't take handouts I just want what I'm due
You can't tell me about what you want, but tell me what you won't do
I'm with whatever, as long as it ain't no gay shit
As long as I ain't compromising nothing that I hold sacred
Certain things I don't play with

Sitting in the crib, tryna dodge corona
I'm sitting with my kids ain't no marijuana
No bad habits, learn from daddies and
Gotta protect them and expose them
To the world we're in
I grew up in the hood, I'm misunderstood
I've done a lot of bad, but I'm mostly good
Starting with my heart, a nigga genuine
That's why when we break apart, we can't be friends again

Alright alright! Word!

Act like you know my bible?
Don't act like you was with me when I bought my Ferrari (you wasn't)
Don't act like Im'a apologize, I don't really be sorry
The most I might say is pardon me to a dog
Jumping out of bed 3 thou plus for my linen
Marble floor in my kitchen, hot cup of ambition
I set precedents my sons won't fuck out judicial?
We some get money brothers with very expensive taste
Five year old go to tower order lobster on his plate (facts)
How you gon' eat when you looking at another niggas plate? (its wack)
See its niggas like you fill of the envy and the hate
Get it? Fill of the envy and the hate
Pray to god to my cousing
RIP to the brother, I let the track breathe for you
And my wrist can't be excused? Cause I'm iced down yo
I could've been dead insane a hater busted my brain
Now I bust down my chains BLING!

Sitting in the crib, tryna dodge corona
I'm sitting with my kids ain't no marijuana
No bad habits, learn from daddies and
Gotta protect them and expose them
To the world we're in
I grew up in the hood, I'm misunderstood
I've done a lot of bad, but I'm mostly good
Starting with my heart, a nigga genuine
