

# Good Time

Troy Ave

Know the moves get watched  
We elude you cops continuous and got money  
I drive a, drop Jeep  
I'm in the hood, cocked heat (facto)  
Ya creep, I hit you good lie deep

Everytime I'm on this streets, I roll so fly ah ah ah ah ah  
Real niggas be relating to a G  
Fake niggas be hating on me  
When I get home be like ah ah ah ah  
Bad bitches love fucking with a G  
Fake niggas love hating on me

Ugh, Troy Ave New Jack flow  
Not the movie that was fake, I am factual  
Dope boy swag to the max though blow  
Made me who I am, I was to rap snow  
Three to five birds in a dresser  
Never show a bitch, you'll get lines trynna impress her  
Stretch with my wrist, with a compressor  
If it's straight sniff, I'm gambling with the extra  
21, Blackjack, purple chip cash (money)  
Golden nugget rooftop, pool jump splash (sunny)  
Soaking in the moment of a hustlers component  
Jesus in the water, my goal is atonement  
Still riding clean, me and Pooch in a Benz  
I got a bitch in the back, I been fucked her friend  
Ain't nothing new except the view and the day  
I'm a fly mothafucka from the NYC niggah

Everytime I'm on this streets, I roll so fly ah ah ah ah ah  
Real niggas be relating to a G  
Fake niggas be hating on me  
When I get home be like ah ah ah ah  
Bad bitches love fucking with a G  
Fake niggas love hating on me

OKC making moves on my dinner  
Young niggas rolling with the crews that a kill ya  
Now-a-days niggas talk news lie they bitches  
Gossip and pop shit, they do this for Twitter?  
Follow to they home, make a move while they with her  
R-E-V-E-N-G-E

Drop when it's hot, dead nigga run up  
Glock getting popped, damn a nigga bun up  
Only thing missing is cheese, know I got that  
Buy and sell blocks, Monopoly no top hat

Know the moves get watched
