Murder Scene

Troy Ave

Ass so fat busting through the jeans
Ass so fat pussy must be clean
Ball head that's a good wax
All dead I'm 'bout to kill that
Murder scene body on the bed
Murder scene body on the bed

Murder kill when I'm in the box
I like them butt naked in them socks
Face down with their ass up
They be slick I already put my cash up
I'm a big big nigga mama Africa
And I'm a big brick dealer so my batter up
Down down baby for a real nigga
Mouth so good pay a bill with you
Boom head get the corn yet
She go straight to the dome call her voyage
Ram through the pussy like sonic
Now she hooked on a nigga like farmix
Powder, fuck whoever John Rin writes
Shoe bitch, new bitch every other night
Daylight come they got to go home
Get your clothes in your mouth you same bone

Ass so fat busting through the jeans
Ass so fat pussy must be clean
Ball head that's a good wax
All dead I'm 'bout to kill that
Murder scene body on the bed

Pass quitter tryin to get the max
A yellow tape, a red bone nigga that's a fact

She thought twice I racked up
She spit on my dick like daft duck
Best he came for back up
Past recline my back up
A to a D she stacked up
Put her on her stomach almost put her through my mattress
Brought some shoe lace home to a mac truck
I'm Mr Planner on sprint no fair snut
Take my time for that pussy till I aired it out
Pulled my 9 on this pussy you a same one
Pretty last bitch said I'm the best she had
Ducking bottles over pussy in my bouji bag
Her mass bad, mark taking swag
Her pussy on her last life get a body bag
