

Stuck

Troy Cartwright

I don't know what you were thinkin' walkin' out on me
What do I have to do to get you back 'cause I jump out of this
dream
So if I fell and cracked my head, would you come visit me?
And I think you know why I quit drinking, I'm sick of rivalry
But it's hard to deal 'cause my heart is shrinking and it's got
no place to be
If I fell right off a wagon would you come and tend to me?

Oh and If I started to break down, would you come and fix me up
?
When I'm dead in the water and need a shove
Would you come and pick me up, when I'm stuck?

I don't know what I was thinkin' chasing this big dream
I could change my mind, just give up and fall right back to sleep
'Cause when you love something so much
That you could die and not let go

Oh and If I started to break down, would you come and fix me up
?
When I'm dead in the water and need a shove
Would you come and pick me up, when I'm stuck?
