

What Might Have Been

Troy Cartwright

Sure I think about you now and then
But it's been a long, long time
I've got a good life now, I've moved on
So when you cross my mind

I try not to think about what might have been
Cause that was then and we have taken diff'rent roads
We can't go back again there's no use giving in
And there's no way to know
What might have been

We could sit and talk about this all night long
And wonder why we didn't last
Yes, they might be the best days we will ever know
But we'll have to leave them in the past

I try not to think about what might have been
Cause that was then and we have taken diff'rent roads
We can't go back again there's no use giving in
And there's no way to know
What might have been

That same old look in your eyes
It's a beautiful night
I'm so tempted to stay
But too much time has gone by
We should just say good-bye
And turn and walk away

I try not to think about what might have been
Cause that was then and we have taken diff'rent roads
We can't go back again there's no use giving in
And there's no way to know
What might have been
No, we'll never know
What might have been
