TroyBoi

Hot, hot. I'm 'a make it hot  
Yeah. Hot, hot, hot, hot  
You can't get enough  
Yeah. I'm hot, hot, hot, hot  
I'm 'a make it hot, real hot, hot

Got you begging for me, baby

I'm 'a give you something that you can't resist  
I'm 'a give you something that you can't resist

Listen to me now  
She's so persuasive with it  
So enticing how  
She move  
Yeah  
It's so uh, uh, uh, uh

Listen to me now  
Enough to make you drown  
If you get into it, it's gon' be uh, uh, uh, uh

Hypnotising  
I'm 'a make you drift away  
Baby, there ain't no escape

Hypnotising  
I'm 'a make you drift away  
Baby, there ain't no escape

Got you begging for me, baby

I'm 'a give you something that you can't resist  
I'm 'a give you something that you can't resist

Say my name  
Say my name  
There's no shame  
There's no shame  
Baby, when you  
Say my name  
Say my name  
Say my name  
Say my name

T R O Y B O I

Hot, hot. I'm 'a make it hot  
Yeah. Hot, hot, hot, hot  
You can't get enough  
Yeah. I'm hot, hot, hot, hot  
I'm 'a make it hot, real hot, hot

Got you begging for me, baby

I'm 'a give you something that you can't resist
