

Frustrated

TroyBoi

I'm frustrated
To what you're demanding now
I'm frustrated
To what you're demanding now
I'm frustrated

I'm hanging on to your hand so please don't let me fall
No control over myself I just might lose it all
A hard time understanding
All of the things worth planning don't add up to what you're demanding now
To what you're demanding now
To what you're demanding now
To what you're demanding
To what you're demanding now

I'm frustrated
I'm frustrated
I'm frustrated
I'm frustrated
