

HIGH

TroyBoi

I don't feel anything so I get high
I don't feel anything so why do I cry?
And I swear I've tried to find me
But I feel so lost inside
Baby I feel like giving up, die
Ooh oh ahhhh
Ooh oh ahhhh

I don't feel anything so I get high
I don't feel anything so why do I cry?
And I swear I've tried to find me
But I feel so lost inside
Baby I feel like giving up, die
Ooh oh ahhhh
Ooh oh ahhhh
