

## Better Now

Troye Sivan

You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything

I did not believe that it would end, no  
Everything came second to the Benz oh  
You're not even speaking to my friends, no  
You knew all my uncles and my aunts though  
Twenty candles, blow 'em out and open your eyes  
We were looking forward to the rest of our lives  
Used to keep my picture posted by your bedside  
Now it's in your dresser with the socks you don't like  
And I'm rollin', rollin', rollin', rollin'  
With my brothers like it's Jonas, Jonas  
Drinkin' Henny and I'm tryna forget  
But I can't get this shit outta my head

You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything

I seen you with your other dude  
He seemed like he was pretty cool  
I was so broken over you  
Life it goes on, what can you do?  
I just wonder what it's gonna take  
Another foreign or a bigger chain  
Because no matter how my life has changed  
I just keep on looking back on better days

You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything  
You know I say that I am better now, better now  
I only say that 'cause you're not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything

I promise  
I swear to you I'll be okay  
You're only the love of my life (of my life, of my life...)

You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything  
You know I say that I am better now, better now  
I only say that 'cause you're not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything

Ooh-ooh...
