

Dance to This

Troye Sivan

Young ambition
Say we'll go slow but we never do
Premonition
See me spendin' every night with you

Oh, yeah, under the kitchen lights
You still look like dynamite
And I wanna end up on you
Oh, don't need no place to go
Just put on the radio
You know what I wanna do

We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just, we can just
Dance to this
Dance to this
We can just dance to this

Dear beloved
Bring those 501s a bit closer, bit closer
And dear, my lover
Do that thing we never do sober, sober

Oh, yeah, under the kitchen lights
You still look like dynamite
And I wanna end up on you (yeah)
Oh, we don't need no place to go
Just put on the radio
You know what I wanna do

We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just, we can just
Dance to this
Dance to this
We can just dance to this

I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride

We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this

We can just...
We can just dance to this
Don't take much to start me
We can just dance to this
Push up on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just, we can just
Dance to this

Dance to this, love
Dance to this
We can just, dance to this
Dance to this, dance to this
We can just dance to this
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
We can just... dance to this
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
We can just... dance to this
I don't wanna sleep tonight-night-night-night-night
